ALAGU AADITHAN A

ASPIRING UI/UX & WEB DEVELOPER

PROFESSIONAL SUMMARY

I'm a Computer Science undergraduate with a strong interest in UI/UX design. I have a good foundation in HTML and CSS, and I'm currently learning Figma to design user-friendly interfaces. Along with this, I've completed courses in Adobe After Effects, Premiere Pro, and Web Development. I enjoy blending creativity with technology to build practical and engaging digital solutions.
